Hurry! Hurry! I feel like a carnival sideshow barker beckoning you inside the year 2000/2001 edition of CQ's Radio Classics Calendar. No AlligatorBoys or Bearded Ladies herein, but you will see some things not found elsewhere and probably will meet an old friend or two as well. An appreciative tip of the N4QB callsign cap to those who own the equipment pictured here.

73, Joe Veras, N4QB
